

Dear Parents/Guardians,

On the 2nd of March, the Charity and Celebrations Committee are holding World Book Day and all the children have to do is wear PJs or onesies. The children have to bring their favourite bedtime story and we will have hot chocolate for them to drink. They can bring their favourite teddy etc. from home. We will provide them with a book if they forget. We would really like some parents/guardians to volunteer to read their favourite bedtime stories to one of our classes. If you can help please contact the school and could you also contact the school if your child has any allergies and cannot have hot chocolate.

The phone number is:

01456 450458

Hope to see everyone in amazing onesies or PJs!

The Charities and Celebrations Committee.
