Dear Parent/Carer,

## **WEATHER ALERTS**

As I am sure you will all have heard, we have been warned to be aware of the potential for disruption to transport and power supplies as a result of severe weather forecast over the next few days.

With this in mind, please can I remind parents of the adverse weather information handed out with the November newsletter and also found in the 'Parents' section of the school website.

### Power Failure

- If power is off in the morning, school will be closed and children should be kept at home.
- If a power cut occurs during the school day, we will wait for an hour for repairs, then close.

The school closures line is below and any closures will also be posted on the Highland Council site <https://www.highland.gov.uk/schoolclosures>

### End of school performance and P1 Nativity

We are hopeful that we will be able to go ahead with the performance tomorrow at 10am in the church. A message will be placed on the Highland Council Telephone messaging service - **0800 564 2272** then enter the school's pin number: **04 2130** at **9am** tomorrow morning to say whether the service will go ahead. *Please can we ask parents not to phone the school to check this.*

The weather is forecast to worsen in the afternoon tomorrow and parents will therefore be given the option to take their children home early, after the service or to collect after lunch should they wish to do so.

We hope you all have a lovely Christmas break and look forward to welcoming you back in the New Year.

Yours sincerely,

K. Laird

Head Teacher
