

*Feedback collated*

What information did you find most interesting/useful from the workshop?

*How to use the maths packs (2), learning games (2), reasons behind the concepts of the games, different stages required (2), new methods of teaching (2), different ways children can develop maths skills, resources and activities, differences from when parents were in school (2)*

What other information would you like us to provide on Maths and Numeracy? What would be the best way for us to do this.

*More interactive workshops to see games, levels of maths at High School, more /new games and websites (3), progress through HNP, stages of thinking, any changes,*

Where would you like us to focus for sharing with parents next?

*Any progression, anything, Literacy (3), writing skills, Equality and Diversity books (loved work with 'The Dot'), homework packs*

Please add any other comments below.

*Very informative, like the packs and look forward to using them*

*Thank you this has been great*

*Great workshop, thank you*

*Packs are fantastic and really great use of the PEF funding. The children all really like them that much was clear from speaking to them tonight. The booklet has so much information packed into it, with lots of ideas we will definitely be using.*

## NEXT STEPS

- Open afternoons to see more of the games in use
- Writing challenges - how to involve parents in Literacy
- Homework set from packs
- Update packs next year with new games/websites
- Equality and Diversity through website?
- Information on progression pathways - pointed out on the night
