

# European Day of Languages

By Finlay, Ivan, Freya, Duncan M and Oscar

What is it about and when is it celebrated

Language learning brings benefits to young and old  
- you are never too old to learn a language and to  
enjoy the opportunities it opens up.

And that's why the European Day of Languages is so  
important, for people to celebrate their native  
languages and to practise and learn other  
languages. It is celebrated on the 26 of September.  
Who knows any other languages ?

Why is it important

It is important to speak languages to help your social skills and to show who you are and your culture. It helps you to understand other cultures.
