

Seatbelt Safety

By the JRSOs

January 2020

Why should we wear a seatbelt ?

- It keeps you secure in your seat if anything ever happened
- It stops you from getting hurt by being flung around the car
- It cuts down the risk of getting hurt by 50%

How to stay safe

- Always put on your seat belt
- Make sure to sit in a car seat (if you are under 12 years old/ or under 135cm)
