

## Treasurer's Report

### Income

For the year 19/20 unfortunately we were unable to hold any Parent Council fundraising events due to Covid-19 and the school closure. This has left us with a balance of £2,571.18 after the P7 leaver gifts were purchased as agreed.

For the year 20/21 fundraising activity may well be subject to restrictions, however, as our primary fundraising activity would normally be done during Term 4 (after Easter) there is hope that we may be able to do something. It is not likely to be any large scale event or indoor gathering of any sort and the use of the school grounds may not be an option.

Any remaining money in the account may be needed to help see the school through this challenging time.

### Expenditure and Grants

It will remain the intention of Parent Council to provide the funding for the extra staff member for the P7 trip (should it go ahead) and their leaver gifts in 2021. This is a long standing commitment of Parent Council for every P7 year group. This would be around £500 if both were required in 2021.

We have secured funding for help towards the cost of transport to swimming and this may be deferred. This £1,000 grant will help with costs when swimming lessons are able to resume for school pupils.
