

# Playground rules

For P3/4 to create

# Health, Water, Food and Environment; Article 24

We need you to think of from one to three rules that relate to article 24 the right to have the best health care have water and food and a a safe environment to l. These will contribute to our playground rules charter.

# These are your instructions

- 1.) Think of ideas as a class for at least 3 playground rules related to the article.
- 2.) Write down your ideas and write down your best ideas.
- 3.) We would like these 3 rules to be handed in back to us on tuesday the eighth of june.

# Rules for Article 24

1. Take your own labelled water bottle or use the water fountain for keeping hydrated.

Eat your own play piece and put litter in the bin.

2. Use equipment properly, tidy it away and store in a safe place.

3. To keep safe, use kind words and do kind things to other people. Tell an adult outside if play equipment is damaged, if we see a stranger or if someone is hurt/feeling ill. Keep school gates locked.
