What to know about article 15

P5/6 will be working on article 15 (setting up or joining groups). On the last slide there is a play ground slide that you need to fill in. You need to fill them in with three rules related to article 15.

Put your rules here.

1.

Let all boys and girls join in games if they ask to.

(Look out for people who don't have somebody to play with and include them.)

2.

Choose games that are fair for everyone.

3.

Use appropriate language, actions and group names.
