

Playground Charter

Which rights do we think are the most relevant?

Joshua & Matthew
P7 Prefects

What P6/7 did first

In pairs, we looked at all **54** articles of the UNCRC and highlighted the ones we felt were most relevant to our primary school playground.

We found **11** articles that could be relevant: Articles 2, 3, 12, 13, 14, 15, 19, 23, 24, 28 and 31!

This is too many! UNICEF advise a maximum of **6** articles for a playground charter.

What you need to do

We need you to look at our list and nominate the **6** you think would be best...

We've made a pack of 11 articles (in cartoon form) for each of the classes to look at and talk about.

Please can you email Miss Mullin with the 6 you think would be best for our playground charter?

Please could you do this before the end of January?

What will happen next?

Once we've agreed on the 6 best articles for our playground charter, we can start to decide what that will mean and what it will look like for rights holders and duty bearers.

We'll have another assembly about that in the new year!
