ACTIONS FROM THIS:

- Re-introduce termly transition visits when Covid mitigations allow (physical visits not able to take place this year due to Covid.)
- Re-introduce lunch time visit as part of transition (not able to do this this year due to Covid.)
- Tie in an update to the profile a few weeks into the first term.
- Invite parents along to stay and play sessions in term 4.
- Ensure parents are aware of what information has been shared between nursery and school.
- Appoint buddies to support with term 4 transition and ensure parents are aware of the P7 buddies roles.
- Include information on when to expect feedback from class teacher in the transition padlet and information evening e.g. dates for parent meetings (there was a delay in deciding these this year due to Covid restrictions) and information on pupil profiles.
